

There's No Place Like Home

Share a photo of a favourite landmark in your village or town. What do you like about it?	Draw a picture of your house. 	Create a map of your journey from home to school. What do you see/pass on the way?
Look at a map or atlas. Can you find the country/town/village where you live?	Explore your house on google earth. https://earth.google.com/web	Read/Listen/Watch a traditional/fairy tale story. What type of house is in the story? Where is the story set? 
Materials Hunt Find as many objects in your home as you can, made from different materials. Make a list. 	Write about your favourite character from a traditional tale.	Take a walk around your local area. What materials have been used to make houses? Can you take a photo/draw any unusual or interesting buildings?
Find out some facts about the area you live. Write your most interesting facts.	Order items in your home by size - Height, length and mass. 	Look at your door number. Can you place it on a number line? Use the number/digits to write as many calculations as you can. (You can roll a dice to create a number). i.e. 65 6+5= 6-5=

Please choose one task from the above grid to complete each week and hand in every Tuesday.

You can choose a different task to do each week over the term.

Please tick off the activity you have completed. We can't wait to see what you decide to do!

Continue to read every day and you could also provide opportunities for counting, adding and taking away in everyday activities.
