

MATHS

We begin with learning about Statistics.
We will be learning to double and halve numbers as a start to understanding multiplication and division.
We will begin to recite times table facts for 2s, 5s and 10s times table and step count in threes.

R.E.

Following our new scheme, we will be exploring 'How do Jewish people celebrate Passover?'

ENGLISH

Toby and the Great Fire of London
Wlad and the Great Fire of London
Sammy the Street Dog
Diary of Samuel Pepys

We will use these key fiction texts to continue to build on our story writing and use non-fiction books to find out information about events and people from the Great Fire of London.
We will write diaries based on Samuel Pepys' recount of events and compose poems using our senses.

GEOGRAPHY

The children will be looking at maps of the UK to locate London and looking at maps from the period as evidence of how the fire spread.

SCIENCE

Animals Including Humans

Linked with our Jigsaw and PE sessions, the children will learn about the basic needs of animals to survive and about keeping healthy.

Plants

We begin this topic finding out about what plants need to grow and the life cycle of plants.

The Great Fire of London

COMPUTING

We will use research skills using the internet to find out about the Great Fire of London. We will use our typing skills and word processing to present our completed poems and will be using programs to make Music.

HISTORY

The children will be finding out about the events during the Great Fire of London and sequencing them.

We will be using a range of primary and secondary sources of evidence to find out about events. The children will find out about the consequences of the fire and the changes that took place. They will also learn about famous people from the period and their significance to the event.

ART & DESIGN

In art, we will create silhouette Fire of London pictures, using collage techniques.

DESIGN TECHNOLOGY

We will complete our pop-up books topic. We will look at the design of houses from the period, comparing with houses today. In addition, we find out about different architects and make junk modelling models.

MUSIC

As well as our scheme for music with the themes of Rock and Reggae, we will learn to sing 'London's Burning' as a round and accompany our singing with percussion instruments. We will learn to sing other songs linked to our topic.

P.E.

Dance linked to our topic.
Multi-skills and gymnastics
