

Maple Class Homework Grid Summer Term

Choose at least one activity per week to complete as your homework. Make sure that you are choosing activities from different subjects each week. Please complete your work in your homework book. If you complete work on the computer or it is making a model etc, then you can print this out and stick in, or take a photograph to print out and stick it in. If you do not have a printer, then you can still email maple@bentfield.essex.sch.uk and we can print it out at school. I look forward to seeing what you come up with!

Reading	Writing	Maths	Science	Wider Curriculum
Choose a character from the book you are reading and write a sentence for each of the points below: • What they look like • Their personality • Whether you like the character or not and why • A picture of them	 Write a conversation between two of these creatures. Each character should say least 2 things. Remember to use speech marks around what they say and to say who is saying each bit and how.	https://nrich.maths.org/1272 Play the Got It game against someone at home or the computer.	Life Cycles Look up the life cycle of a chicken. Draw a picture of each stage and label it too.	<u>History</u> Find and watch an episode of Horrible Histories on BBC iplayer. Then write down 3 interesting facts that you found out while watching the programme.
For a book that you have read recently, write 3 sentences to explain what happened at the beginning, middle and end of the story.	Choose an animal and research interesting facts about that animal. Write down 3 key facts about that animal in your own words. Remember your sentence punctuation!	https://www.topmarks.co.uk/maths-games/hit-the-button Play the Hit the Button game to practise numberbonds or times	Life Cycles 2 Look up the life cycle of a frog. Draw a picture of each stage and label it too.	<u>History/DT</u> Make an Anglo Saxon or Viking shield. Use some pictures to help you to make as much like they would have been as possible.

		tables. Make sure to practise the ones you're not sure about yet to get better. Send in a screen shot of the scores you get!		
Write a book review for a story that you have read or someone has read to you. Write 3 sentences to explain: • If you liked the story or not. • Why you liked or didn't like the story. • Whether you would tell someone else to read it or not and why	 This picture is of a Viking long boat. They would have rowed in these for days to invade other countries. Write down 5 sentences to describe what it would have been like to be in the boat.	https://playtictactoe.org/ Have a go at playing noughts and crosses using this online game. You can play against someone at home or can play against the computer. Can you beat the computer?!	David Attenborough has narrated lots of nature documentaries through the years. Find some clips of David Attenborough narrating on nature documentaries and then have a go at narrating it yourself. You could video it and send it in or write down your sommentary.	<u>History/DT</u> Make an Anglo Saxon or Viking helmet. Use some pictures to help you to make as much like they would have been as possible.
Choose a character from a book you have read that you really like. Write a short story using that character going on a new adventure. Remember your capital letters and full stops and spelling of high frequency words.	 • Write 2 similes to describe part of this picture. • Write 2 sentences that use adjectives to describe part of this picture.	https://nrich.maths.org/1819 Have a go at this magic square activity	Investigating nature. At the moment we are in spring, about to head into summer. Think about what happens in summer. Go into your garden or for a walk and take photographs showing what happens to plants in spring. You could make a display of these and add some sentences explaining what you have taken pictures of.	<u>Geography</u> https://matchthememory.com/osmapsymbols Have a go at the map symbol matching game. Send a screen shot of your top score and time.
