

MATHS

Firstly will be looking at place value to 1,000,00, negative numbers in context and number patterns. Followed by using standard written methods for all four operations.

R.E.

We will be learning different views about God and how religion has shaped music and art throughout history.

ENGLISH

We begin the term reading 'The Kingdom by the Sea' by Robert Westall. We will be improving our reading skills of retrieval and inference as well as widening our vocabulary. The children will learn how to write engaging stories, persuasive letters, and use the power of imagery in poetry.

LANGUAGES

The children will continue to develop their vocabulary focusing on giving and receiving directions.

GEOGRAPHY

We will learn about locations in the UK and Europe, including key physical geographical features. We will learn about how physical features lead to changes in human geography.

SCIENCE

We will be learning about materials and their properties including reversible and irreversible changes. Lots of practical science investigations are going to be taking place this term!

The Blitz

COMPUTING

Spreadsheets – cracking codes and using formulae on Microsoft Excel.
3D Modelling – we will be using software to create 3D representations of products.

P.E.

We will be learning invasion games through dodgeball. We'll also be learning dance techniques of the jive. This term will also be Forest School.

ART & DESIGN

We will be focusing on the artist Phillip Zec, looking at propaganda posters and cartoons used during WWII. The children will produce their own pen and ink cartoons.

DESIGN TECHNOLOGY

The children will use their knowledge of materials from science to design and make their own air raid shelter model.

Music

We will be appraising, performing and composing music focusing on a piece of pop and jazz music.

HISTORY

We will be learning WWII. Focusing on the chronology of events and how key events in history impact on what happens afterwards. We will also learn about what life was like for children during the Second World War.

PSHE

We will be learning through our Jigsaw units, 'Being me in my World' and 'Celebrating Difference' during this term.
